Calendar of Events

March

Association for Computing Machinery Computer Science Conference
March 8-11
Phoenix Civic Plaza
Phoenix, AZ
(508) 443-3330

FOSE '94
March 22-24
Washington Convention Center
Washington, D.C.
(703) 683-5369

April

Boston Computer Society MegaMeeting
April 9-10
Clark Center, University of Massachusetts
Boston, MA
(617) 252-0600

National Council of Teachers of Mathematics Annual Meeting
April 13-15
Indiana Convention Center and Hoosier Dome
Indianapolis, IN
(703) 620-9840

Mathematica Developer Conference
April 21-23
Wolfram Research Inc.
Champaign, IL
(217) 398-0747

May

Comdex/Windows World
May 23-26
Georgia World Congress Center
Atlanta, GA
(617) 449-6600

June

PC Expo
July 28-30
Jacob J. Avits Convention Center
New York, N.Y.
(201) 346-1400

July

Teaching Formal Methods Curriculum Development Workshop
July 3-8
Hamilton College
Clinton, N.Y.
forworkshop@cs.colgate.edu

October

GovCom '94
October 11-13
Washington Convention Center
Washington, D.C.
(703) 683-4486
Correction

In the Graphics Gallery of Volume 3, issue 4, Figure 17 was reproduced incorrectly. The correct figure appears below.

The figure illustrates the action of the exponential function on the Riemann sphere. The rectangles on the top sphere are mapped to the rectangles on the bottom sphere.
